The end of the busy and unforgettable day for all the members of the class of "48" was at the annual Senior Reception held at 8:00 P.M. in the William Bingham Gymnasium. The music was provided by Alex Johns and his band. 'Midst the joys of a formal and the gaiety of

their fellow schoolmates the class of '48" spent their last evening at Gould.

Sunday the Baccalaureate Services were held at 10:30 A.M. at the Congregational Church. The speaker was Reverend David N. Beach. This was the start of the most important day of all for the seniors.

CAROL BARTON, '52

Gehring Hall

Hello there! Glad to see you! You've certainly chosen a wonderful time to tour Gehring Hall with me. It's about time for Saturday morning inspection and we shall undoubtedly find all the inhabitants at home. All set? Let's go!

The apartment on our right belongs to Mrs. Goggin, our kind and patient house mother. Mrs. G. has comforted many of us at various times, and we all think she's a pretty wonderful person.

We can go up to the third hall by these back stairs. The rooms seem to be nearly ready for 10 o'clock inspection. This first room here belongs to Debbie Frederick and Ruth Berry. Don't be fooled by Debbie - - she isn't always as quiet and motionless as you see her now. She'll sit still for hours and let Ruth comb her hair in all the different styles. Have a date tonight, Debbie?

The next room we find Carol Barton diligently darning a pair of socks and that's Kathy Knowles over there writing a letter home.

Hear that classical music? Unless I'm mistaken it comes from next door - - let's take a look. Yes, there's Priscilla Pitman listening to her idol, Heifetz. Hey, Priscilla - - come out of that trance. Rosemary Kelley seems to be doing all right by herself, too. She's giving Heifetz competition with that typewriter. What a racket!

Let's look in on Janet Bean and Eileen Linnell in the next room. Eileen is trying very hard to teach Janet to do the latest jitterbug steps. What's the matter, Eileen, won't Janet cooperate?

Across the hall we see Jane Daland and Peggy Champlain frantically dashing around trying to have their room spic-and-span for inspection. Do you think they will make it?

Next door we hear Jean Renwick telling her roommate, Lynn McCann, not to be so "copasedic." Wish I could tell you what the word means but I promised Jean I wouldn't tell a soul. What a "copasedic" situation!

Mary (Taffy) Goodnow and Sue Hamilton occupy the room across the hall. That's Sue over there putting up her Melrose banner and Taffy, not to be outdone, sports a Winchester banner on her bed. Ah, rivals!

Here's a neat room. - - Hi, Dottie! That's Dottie Spinney there at her desk writing to her Bowdoin men. Where is your roommate, Dottie? Next door? Then next door it is!

Yes, there's Connie Elliot in here visiting Donna Littlehale and Joy Smith. Donna seems to be knitting some socks under the special guidance of Connie. What's Joy mumbling about all by herself? Probably she's learning her part for the one act play.

Room 11 is across the hall and here's another girl writing to a certain fellow - - only this one hails from University of Maine, doesn't he, Cynthia? Cynthia Dunham and Marlowe Farnum share this room but Marlowe isn't here this weekend. She's taken a trip to Boston.

The "Connecticut Yankees" live in the corner room. Dorie Sturtevant and Jo Terriberry are both from New Canaan and if you don't think that that isn't something to be proud of, you just ask them. These two are the gals who have a passion for ice cream, and I shouldn't be a bit surprised to see them someday sitting in the middle of the floor each consuming a gallon of the stuff!

And in the last room over here, we find Joyce Maxim dusting off her pictures of those L. H. S. fellows. That's quite a collection of miniature horses that her roommate, Greta Gould, has on her dresser, isn't it?

Here comes Miss Swift who lives on third hall — how much time before inspection, Miss Swift?

Now let's venture to second hall. Here we are at the home of the big brave juniors and seniors.

Cindy Lorenzen and Janet Coombs are the inhabitants of this room—looks like

Cindy is sunning herself under the old faithful sun-lamp. Don't get too much of a sun burn, Cindy! Where's your roommate, Janet? She's in talking to Eunice? We'll see her then.

Sh-h-h-h-h! We must be quiet, for I'm certain that the next room will contain a couple of sleepy heads. Right again—there's Marilyn Judkins and Marion Masse both in the land of dreams. If we should linger here awhile you'd see these two lazy bones hop out of bed and, within a few seconds, produce the neatest room ever. Practice makes perfect!

Familiar strains of music—bet that comes from Robin Buck's radio next door. Nancy Cooke is busy hanging another "man-hater" sign on her wall, while Robin is listening to the radio and pasting new pictures into that huge scrap-book of hers.

Bet that silly giggling will lead us straight to the door of Ann Lord and Edith White. What's that year book you two are looking at—Fryeburg Academy? See any familiar faces? All I can say is that you are a couple of traitors—shame on you!

I want you to meet Sandie Flanders and Claire Macy who live next door. Your Schmoo seems to be deflating, Sandie, what happened to him? Can he be cured? Sandie, tell us why you keep calling Claire a "good kid."

Come on across the hall with me now and visit two quiet conscientious girls. That letter Barbara Jackson is typing will probably be going to Rockland, and Florence Pike over there at her desk is cramming for her French exam. Ambition plus!

Isn't that a pretty shade of blue for the sweater that Betty Barlow is knitting? That's her roommate, Debbie Durivage, stading on the chair changing the pictures on her bulletin board. Don't fall, Debbie.

Across from them live Pat Shirley and Betty Gould.—Oops, guess you won't be able to see Betty. She's sitting under the

hair drier. Pat, put on those marvelous Vaughn Monroe records you have, will you?

The room opposite Pat's and Betty's belongs to Jane Hartwell and Sally Brackley. Sally is trying to convince Jane that she shouldn't wear her knee-length stockings today. Miss Stallwood must be the inspector!

The room across the way finds Nancy Crane listening intently to "My Darling" while her roommate, Peggie Barton, desperately begs Nancy to quit reciting eeny-meeny-minny-mo long enough to play Peggie's favorite game—"Without Boots."

Up the hall live Bettie Backus and Nancy Randall. Your room looks very nice, but Bettie, don't forget to put a scarf on your bureau. Did you ever see so many lipsticks in all your life as there are on Randie's dresser?

The two who live next door are Jean Brockmeyer and Joan Taylor who are playing that haunting record, "Arizay". Sorry we can't join you two in a game of rummy but we have to hurry on.

Let me introduce you to Miss Whitney, our new home economics teacher. Just coming from the kitchen, Miss Whitney? Miss Griggs, our music teacher, also lives on second hall but she's over at the music room right now.

If we turn down this corridor we see three rooms that were once teachers' rooms. On our left live Eunice Lane and Ann Waterman and sure enough, there's Janet Coombs having a gab fest with Eunice. Ann, run to the window quick—there's a certain car going by.

We see Mary Scott in her room knitting as usual on a pair of argyles. She's a wizard at knitting and argyles seem to be her specialty. What did you say, Scottie? Something about "good goods"—Scottie's a panic. Believe me, I know. I live with her!

Well, that ends our tour of the rooms. Hope you've enjoyed yourself and will come again soon. Bye now.

Holden Hall

This September we found a good many new faces to greet us, but still had a full quota of the older students to welcome back again. The older students immediately began to prevaricate, at length, about the terrors of six-weeks exams and all the other horrors that the new students would soon face, Joe's Queen's chair being among the most foreboding.

Mr. Hennessey, the new Latin, Spanish, and German instructor, occupies the room next to the office which was so recently vacated by Rip Howland.

Thanks are given to Mrs. Scott and Mrs. Foster for helping to prepare the refreshments for the Christmas party, as well as to Mr. Thompson for his work on the dorm party. Thanks also go to all the men teachers for the time they have spent in giving us advice and help while in the dorm.

From the very start the year was destined to be an eventful one. First came the era of the bean shooter; this came to an unnatural death after several severe reprimands by members of the second hall.

Next on the agenda came the Yo-Yo which swept the school like wildfire. Dick Marshall, the accepted champ, refused to compete when it came to a show-down; consequently Fritz Norton showed his worth and won the honors of official Yo-Yo champ.

The first planned event of the year was the Christmas party, with Mr. Vachon acting as Santa. The poetic genius of the Holdenites was revealed in all its raw glory. The inmates exercised their abilities to the fullest, and managed some gifts that were at least unusual if not useful, huh, Gooley?

The annual Dorm party then arrived in all its glory with the Holden Hall Dramatic Club and Hickey's Hep Kats providing the bulk of the entertainment. Of course there was the usual room inspection by the visiting girls, followed by the entertainment. The two skits presented were out of this world, our perfume saleslady being the latest in feminine design. The band did a wonderful job while the singers, jokesters, and musicians certainly held up their end.

Finally, rather late in the year, the snow arrived, along with the winter carnival. With this came the usual bustle for bow ties and shoe wax that signifies that some girl is about to be honored with the latest in polish.

Wandering down through the lower halls we hear an animal-like bellow; do not fear, it is only Don Cooper, as usual. Investigating we find that it is he telling the two boys from Wilson's Mills, Rex Bennett and Warren Olson, another story as Warren strums on his guitar.

That drumming noise? That is Bob Norris beating out a rugged march for the benefit of Henry "Snowbunny" Agnese as he prepares for another romp in the snow, this being his first experience with the white stuff.

At the cry, "I am the maker of jests for the Royal House," we know that Levi Swanson is again telling submissive Fred Smith of his accomplishments. Looking across the hall we see Bob Patterson and Owen Wight rolling the eight ball about again.

Of course at this moment we hear a familiar buzz and assume that Kanaly and Putnam are at it again. Whether it will be another CO-two jet ship or worse, we'll not inquire. It can be risky to enter their inner sanctum.

At the sound of a slight snore we find "Speedy" Gilman half asleep again while his roommate, Alden Gordon, and Mike Lawthers discuss the respective merits of Mike's model planes.

Going down to the basement we hear Harry Look and Forrest Grant holding one of their famed jam sessions. We'll hurry by and over to the other end of the basement. Here we find Bob Dodge engrossed in deep conversation with Les Streeter and Mike Boyd. No need to intrude; so upstairs to second hall and the mighty upperclassmen.

At the head of the stairs we find Bob Adams telling Morris Foye about his exploits on the ski trails of the nation. Since these boys are so enthralled with the power of their own words we will do

Uuno Hertell the favor of letting him out of his room. He gets locked in every so often; wonder how and why?

Dangling out the hall window we see Jimmy Gordon supported by Ed Hickcox; perhaps this has something to do with Emery and Philbrick. It is as we guessed. They have combined their various remarkable minds to produce an arrangement by which they can operate several vics from several places. Novel, but what purpose does it serve?

In room 23 we find Larry Stinchfield giving Dick Bartlett a going over for turning off his alarm on the morning when he had to study for exams. Murder? Not yet.

By the sound of cackling laughter we locate Dick Chick and Bob Hogan. Hogan is nursing a sprained ankle.

Down near the end of the hall we find Dick "Shoulders" French and Sterling Haskell admiring a fine figure of a schmoo enscribed with several interesting legends.

Across the way we see Temperance Tavern with proprietors Dick Klain and John Paterson gleefully counting their ill-gained shekels.

At the first whisper of mournful sound we know that Bill Kirkness and his sax are present. Inside the room we find John Mason sitting at his feet in a near swoon. Impressionable fellow, isn't he?

In the next room we find Bob Gorman sitting in the corner with only his bald pate showing. Seems that he is in hibernation until that once-glorious mop of hair grows out again.

Now as we start to stroll along the other hall we hear that blasted "um-pah!" which has nearly led to the death of John MacDuffie. That's right, he has the tuba out again. Meanwhile poor Phil Hussey can only find solace in his latest note from the girls' dorm.

Right next door we find the boogie blasting hot and fast as Emmett suffers in silence. Upon interviewing Don we find that his only comment upon Larry Taylor is: "He's a good kid."

Up the hall a little further we find Bob Hill exercising his vocal chords again as he strolls around looking for someone from whom to borrow a pair of skis. Across the hall is the abode of Fritz Norton and Bob Hamilton. Fritz is employed in hanging up a few more calendars while Bob is rubbing more horse liniment on the injured limb and directing the procedure of decoration from this point of ease.

Now we enter the sunctum of baby blue curtains and Rangeley literature to find "Sturdy" Oakes telling Bob "Tiny" Knight about his prowess as a guide, while Tiny flexes his muscles.

Glancing in on Dick Marshall we find

him employed, as per usual, at shining his ski boots. His answer to inquiries about the possibility of snow is a cryptic, "Nuts!"

In room 33 we find the two business tycoons, Clint Mason and Dave Payor, engaged in the shoe shining business. Business is at low ebb and a ski trip is approaching, so watch your shoes, fellows.

Finally, right across the hall, we find the homey abode of the two black sheep of Holden Hall. Bill Beckett is looking for me to obtain my opinion of the latest chapter in "Rabelais", but I must run to get this article in late.

Student Council

The Gould Academy Student Council began its fourth year as an efficient, operative and respected organization with the following officers: Jerry Davis, President; Charles Smith, Vice-President; Nancy Van, Secretary; and Guy Emery, Treasurer.

The following members were also elected by the school to serve on the Council's committees: the School Publicity Committee, Shelby Putnam, Robert Hamilton and Edward Hickcox; the Public Relations Committee, Wayne Bennett, Marlene Anderson and Sally Brackley; the Assembly Committee, Laurice Lord, Ann Lord and Patricia Shirley; and the Fi-

nance Committee, Jean Renwick, Ronald Kendall and Lee Carver.

The Council's aims are to serve in an intermediate capacity between the members of the student body and the Headmaster, and to act as a motivating force to build school spirit, loyalty, and citizenship among student members of the Academy.

Each year the names of the boy and girl of the graduating class, showing outstanding characteristics as good citizens are inscribed on a Citizenship Shield, presented by the Council to Gould as an incentive toward school spirit, loyalty and citizenship.

The duties of the Council are varied. This fall it supervised all class and some organization elections. Some members of the Student Council served as tellers by counting the ballots, arranging for time and place of the elections and posting the results. The Council promoted a freshman party in the fall, a Christmas Formal Dance, performed administrative duties at athletic contests and represented

the student body on the Athletic Council.

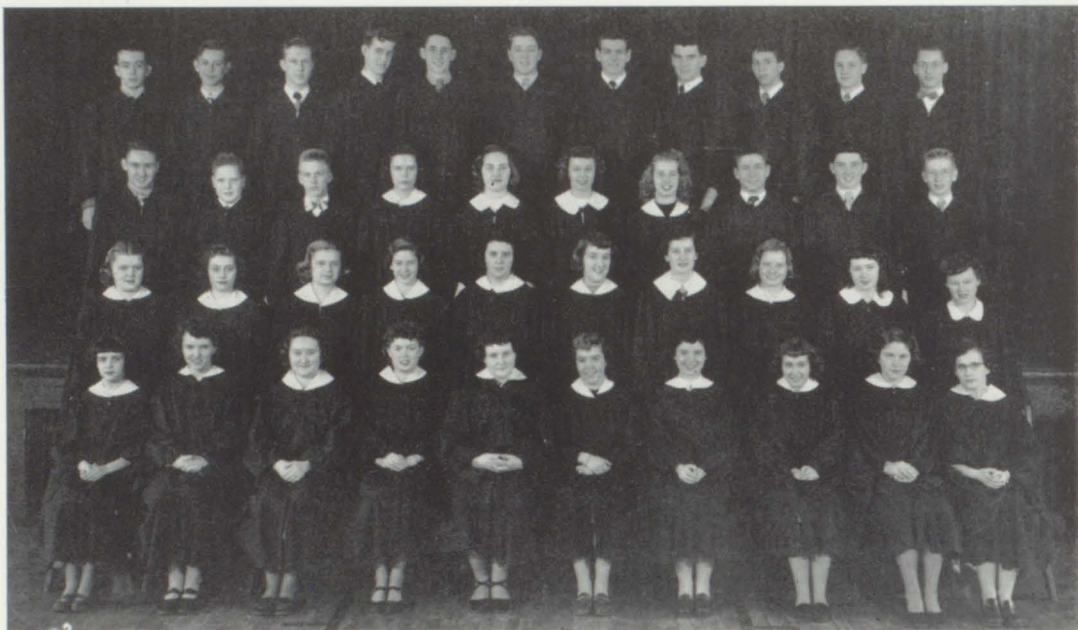

The Council is an important organization at Gould because of the fine work it has done in the past and will do in the future. Election to office in this organization should be considered an honor and entails its corresponding responsibilities and challenge to work for a better Gould.

Musical Notes

When the *Herald* goes to press Gould musical activities are just getting into full swing.

LAST SPRING

The Western Maine and New England Music Festivals were attended by groups representing Gould. Those participating in the New England Festival at South Portland were Donald Lord and Lois Ann Van, band; Eileen Linnell, orchestra; Gertrude Penner and Geraldine Linnell, glee club. The Varsity Glee Club and soloists, Donald Lord, Lois Van, Jessie Jones and Florence Pike, went to Brunswick, May 8th, to the Western Maine Music Festival. The glee clubs, band and

orchestra gave a concert March 12th, and Miss Griggs' piano and voice recital was June 3rd.

MUSICAL GROUPS AT GOULD

Band: Gould is very fortunate to have Mr. Ernest Hill this year to direct its twenty-eight member band and also to give instrumental lessons. The band, led by Barbara Jackson and accompanied by twirlers, Jo Terriberly and Elizabeth Bailey, has played at football and basketball games, adding much to the school spirit. This organization usually furnishes music for Memorial and Armistice Day parades.

Orchestra: The school orchestra was not organized until after Christmas because of the difficulty of getting a string section together. This group, under the direction of Miss Griggs, provides music for the plays and Commencement.

Glee Clubs: The Boy's Glee Club is the largest ever, having thirty-seven members. The Girl's Glee Club is a large group composed of sixty-four members. From these clubs are selected the best singers to form the Varsity Glee Club. All three clubs appear in assembly, in concerts and at graduation time. During the year records are made of their work.

William Rogers Chapman Club: Much new talent has been added to the Chapman Club this year, its membership being twenty-six. This club puts on a fall and spring concert, gives programs in assembly, attends Maine Federation Day, and has many projects, such as starting new clubs to further music in our state. Four members of the club, Jerry Davis, Lee Carver, Dick Ireland, and Donald Lord, have formed a male quartet, which has been very successful in pleasing its audiences.

Choir: Members of the glee clubs serve in both the Methodist and Congregational choirs. The under-classmen are chosen to be in the Baccalaureate Choir at Commencement.

Besides Miss Griggs' numberless other duties, which she carries off so well, she teaches classes in music appreciation and theory and harmony. Miss Griggs also teaches piano and voice.

Gould students have had the privilege of taking in Community Concerts again

this year, which have certainly been worthwhile as well as pleasureable.

THIS YEAR

The Chapman Club gave their annual fall concert November 20th. An operetta, "The Gondoliers" by Gilbert and Sullivan was presented at this time. The annual Christmas Vesper Service took place December 12th, the Varsity Glee Club performing the music, with committees chosen from the other glee clubs. The orchestra played at the three one-act plays at Carnival time, and, as usual, participated in the Festivals in the spring. Music awards will be made at the close of school.

The complete picture of Gould's musical activities was presented to the Maine public in a special feature article in the Portland Sunday Telegram, with photographs and tribute to Miss Ann Griggs, in the spring term.

The Chapman Club presented the Varsity Singers of the University of Maine in a concert on Sunday afternoon, February 27th. Soloists were Priscilla Goggin, a 1946 graduate of Gould Academy; Paul Payson, a baritone; and Lois Ann Nicholson, another soprano. The Varsiteers are under the direction of James Gordon Selwood.

A piano recital, given by Carol Pitman, a senior at the New England Conservatory, was also sponsored by the Chapman Club on March 13th.

The Gould Academy music clubs, composed of the band, orchestra, and Boy's, Girl's and Varsity Glee Clubs, presented their annual concert on March 15th in the William Bingham Gymnasium.

The Blue and Gold

The well-known *Blue and Gold*, in its seventh year of publication, has increased its circulation to almost five hundred copies. The readers of this school paper include not only the Gould students but many of the alumni, townspeople, and members of various high schools with whom we exchange papers. Also, a file is kept by Headmaster Ireland of all the issues and a set is sent to each member of the Board of Trustees in order to keep them informed of the various events at Gould Academy.

This year co-editors were chosen to direct the publishing of the *Blue and Gold*. This idea of having two editors worked

out very successfully and as a result of Edward Hickcox's and Guy Emery's fine leadership, a well-balanced, interesting paper was on sale every month. *The Blue and Gold* is definitely a student publication; Mr. Thompson is the faculty advisor but he encourages complete management of the paper's affairs through the staff.

The various positions on the staff were held by John MacDuffie who was Sports Editor; Marilyn Adams, Alumni Editor; Peggy Barton, Exchange Editor; Donald Lord, Business and Advertising Manager; Philip Hussey, Circulation Manager; Nancy Crane and Laura Bennett, typists.

Another position, new this year and held by Marilyn Judkins, was that of Features Editor; by enlarging on the humorous events and human interest happenings about the dormitories and Gould Campus, Marilyn turned out several interesting columns each issue. Under The Cupola, Outstanding Among Us and Opinions Appreciated were all included under Features. A reportorial staff included twenty-one of the students who received and reported on various topics throughout the year.

The paper was livened up this year by the appearance of a number of jokes in each

issue, donated by the exchange editor who found them in other high school papers. Pictures contributed by the Gould Academy Camera Club continued to be printed, adding to the attractiveness of the paper. The usual style of printing and head-lining was used once again and proved very satisfactory.

The *Blue and Gold* has proved itself to be one of the most popular and most useful of extra-curricular activities and its achievements are recognized by all.

Camera Club

With much enthusiasm and interest, a large group of new and old students attend the meetings of the Camera Club every Wednesday activity period. The club is headed by Mr. Gayle Foster, who willingly gives us his time to pass on some of his wide knowledge of photography to the members. Mr. Foster was, at one time, President of the Pictorial Photographers of America and President of the Greenwich Photographic Society.

More print contests were held this year; there were many members interested and active in these projects. In the latter part of October a print contest was held on the subject of Vacation Pictures. In this first contest of the season there were many entries and much interest.

In the latter part of November and early December the members made some of their own Christmas Cards; about 3000 in all, many being unusual. Two of the most outstanding ones for originality and attractiveness belonged to John MacDuffie and Kathryn Knowles, who designed and made their cards themselves.

Before the cards were made the club held an exhibit of photographic Christmas cards. The cards were spread out on the tables in the Physics Lab. for all to see, for there were about 400 different varieties to be examined.

During the year several talks and demonstrations were given on "Portraits". This resulted in many students trying it. Some of the regular meetings were cancelled so several of the members could work in the dark room on their portraits. In February a portrait contest was held and resulted in some excellent prints and entries.

In March another contest was held; this being a print contest on Snow Scenes. The April contest was devoted to the interesting Photograms made without using a camera.

An article written by Mr. David Thompson, similar to the one entered in Popular Photography last year, was published in the Maine Teacher's Digest. This contained much material on the Gould

Camera Club and was illustrated by the student's work.

This year was the seventh Annual Exhibition to be presented by the Camera Club at Commencement Week-end. In this Exhibition the outstanding prints of the year were shown as well as outstanding prints of past years. This show has always been one of the main highlights of Commencement Week-end.

As before the Camera Club has always been represented at football and basketball games and all other of Gould's social functions taking pictures of exciting and amusing events for the students to buy and keep to remind them of past and pleasant years spent at Gould. Many pictures were supplied to the *Blue and Gold*,

the *Academy Herald*, and to various newspapers.

The members owe a lot to the officers of this club: Dick French, President; Phil Hussey, Vice-President; Sterling Haskell, Treasurer, and Rachel Brown, Secretary; and appreciation is due to all the others who served willingly and generously on the other committees and to those who served as sales representatives.

The Camera Club often proves a good start to a lively hobby or a fine profession and career, and it always results in great satisfaction and pride for one's work for those who take a serious interest in the club.

Second row: Betty Barlow; Claire Macy; Ruth Donahue; Jean Brockmeyer; Joan Taylor; Sally Brackley; Betty Gould. Third row: Mr. Emery; Robert Oakes; Larry Taylor; Addison Saunders; Jimmie Gordon.

Science Club

This year the Science Club members met every Monday night, with three Mondays of the month set aside for projects and the remaining one as a business meeting. At the first meeting, Donald Lord was elected President; Lee Carver, Treasurer; Nancy Cummings, Vice-President; and Priscilla Pitman, Secretary. It was voted at this time to have a restricted club, composed of earnest science students and hard workers, with a maximum of twenty members. Each new member is admitted only when he or she had been voted upon by a majority of the club and likewise a person could be dismissed by the same majority vote.

There were many interesting projects worked on by various members. Two girls, interested in cosmetics, started with hand lotions and worked towards the making of lipstick. Two others picked

taxidermy as their project. Others made models of an ideal farmland using plaster of Paris to illustrate the conditions before and after irrigation. Other projects chosen by girls included experiments with bacteria, the starting of a geiger counter, the plotting of blueprints of the stars, the drawing of the bone structure and the studying of psychology and entomology. One of the boys studied tropical fish; others made plastics, electric motors and explosives.

A technicolor movie, filmed in the beautiful Oregon forests and pointing out the need for conservation was highly enjoyed by the club.

Interesting trips were taken during the year which proved to be educational as well as cultivating to the Science Club members.

On the Stage

On the night of February eleventh, Carnival weekend, in the William Bingham gymnasium, three one-act plays were presented.

At eight o'clock the curtain rose and we observed, with great g'ee, an ordinary day in the home of a movie star in the play called "Star Struck" written by Florence Ryerson and Colin Clements. Two cockroach exterminators, Levi Swanson and Robert Knight, helped to put the play over and make it a successful comedy. Peggy Champlain played Kitty Dare, the wife of Gordon, a successful movie star, while Edith White played the role of Harriet Brown, Gordon's competent secretary and Kitty's friend, a rare combination even for sophisticated, easy-going Hollywood. Debby Frederick brought forth many laughs as Ada, the colored maid. Mary Goodnow and Eileen Linnell played two stage-struck girls, Marilyn Withers and Rosalie Fantod, respectively. Two characters straight from California and movie-land were Cynthia Dunham,

who played Polly Pry, a second Louella Parsons, and Lois Ann Van, who took the part of Gilda Mott, a minor league Mae West.

The next play on the agenda was "Ringing in the Groom" by A. A. O'Keefe. It concerns George Baker, played by Charles Keenan, a mousy sort of character whom the entire family seemed to fall back upon. His sister, Mildred Baker, played by Joy Smith, had a knack for spending money and relied upon poor George for her needs. Aunt Ella, a missionary, played by Gloria McKeen, was, like most missionaries, worried about the somewhat straitened circumstances of her church and came to George for money. His social climbing mother, Harriet Baker, played by Claire Macy, and his collegiate, music-minded brother, Wilbur Baker, played by Guy Emery, helped to complicate circumstances, especially when Wilbur decided that his clarinet was more interesting than college. Grandma Harrison, played by Marilyn Judkins, was the pep-

pery sage who knew all that was going on in the house, including the weakness Bertha, the maid, played by Sarah Dorian, had for horses. It was she who convinced George that it was about time he married his patient fiancée, Ruth Hubbard, who was played by Marian Masse.

The last play of the evening was "'Op-o'-Me-Thumb'", written by Frederick Fenn and Richard Pryce. The story takes place in Madame Didier's laundry in London. Madame Jeanne Marie Napoleon de Gallifet Didier, the proprietor of the laundry, was played by Barbara Pretty. Laura Belle Bennett played Mrs. Clem Galloway, very conscious of her married state and the only one working in the laundry who was married. Mrs. Clem Galloway, Celeste, played by Jane Bean, and Rose Jordan, played by Eunice Lane, taunted Amanda Afflick, who was played by Helen Keehlwetter. Amanda was just another slavey in the laundry and, although she wasn't the least bit vulnerable when she was working with the others, her personality changed completely when she was alone with the man she loved, Horace Greensmith, a London bum, played by Edward Hickcox. The production was done with a nearly authentic cockney accent, which was particularly noticed in the dialogue between Amanda and Horace.

Miss Ann Griggs conducted the orchestra before the plays began and between each one. Larry Taylor was stage manager and John MacDuffie and Jerry Davis were in charge of properties, while Ruth Donahue was prompter. Mr. "Joe" Roderick, Mrs. David Thompson and Mrs. Helen Dyer handled the makeup for the entire cast. Mr. David Thompson was director of all three plays and with everyone's cooperation made them the success they were.

The serious play "'Op-o'-Me-Thumb'" was chosen to represent Gould in the

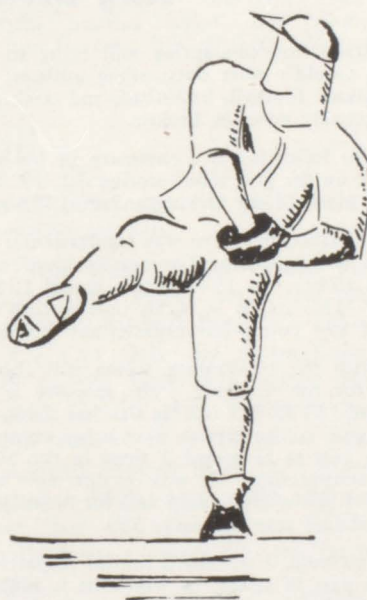

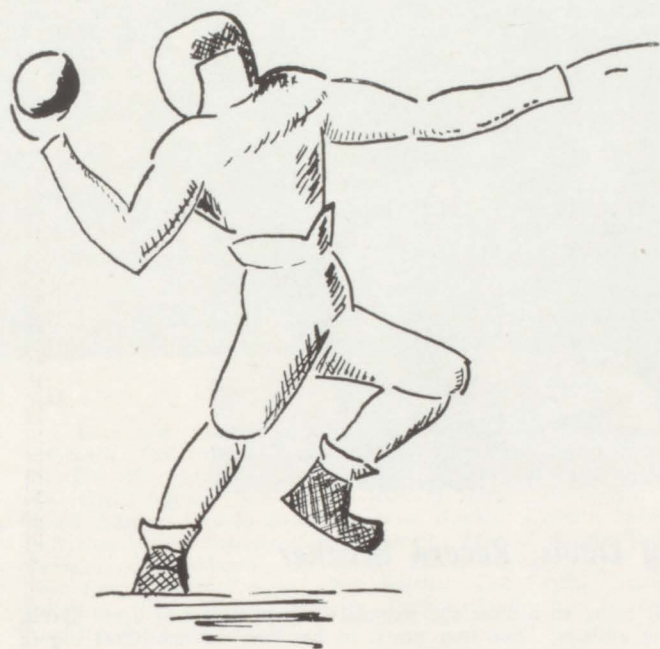

Maine State One-Act Play Tournament.

On the night of April twenty-second the William Bingham gymnasium was filled with ardent enthusiasts waiting expectantly for the curtain to rise on the senior play, "Kempy." This play is a three act comedy on American life written by J. C. and Elliott Nugent. Although it is not a well-known play and a precedent was broken in choosing it, it was a tremendous success. The story concerns an ambitious, but not too talented, girl of twenty-five, Kate Bence, played by Janice Lindquist, who overthrows Duke Merrill, a distinctive looking suitor of about forty, played by Bill Glover, for a career. After having a fight with Duke, Kate seizes her first opportunity to marry, who happens to be Kemp Jones, played by Morris Foye. Kempy is a great admirer of Kate's book and a good-looking youth of twenty. Jane Wade, played by Claire Macy, the Bence's oldest daughter and the only one married, and her husband Ben, played by Ed Hickcox, appear on the stage at various intervals during the play. Dad Bence, played by Bill Beckett, is sharp-tongued, but his bark is worse than his bite. Ma Bence, played by Peggy Barton, is a meek woman, always a little vague about the world and threatening to faint at the slightest provocation. Ruth, played by Mary Scott, is the youngest Bence girl and is quite fond of Kempy.

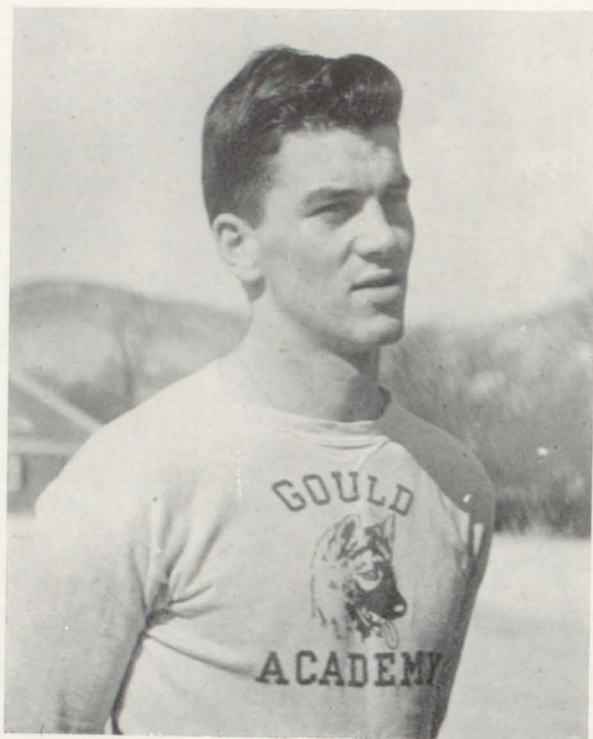

Mrs. Helen Dyer, Mrs. David Thompson, and Mr. "Joe" Roderick did an excellent job on make-up supervision. Mr. Foster and his crew put in many long hours on the set while Larry Taylor was stage manager. The business manager was Don Lord and Jane Hartwell was the prompter. Mr. Thompson, our dramatic coach, managed and directed the entire production with the ease and skill of a professional.

Jerry Davis, Record Breaker

Graduation this spring will bring to a close the secondary school career of Jerry Davis, one of Gould's most outstanding athletes. For four years, he has been an important cog in the Huskies' football, basketball, and track teams. His total points scored in each of these sports will probably never be broken.

The following is a summary of his accomplishments. For four years, he played regular fullback on the grid teams scoring 30, 19, 80, and 103 points for a grand total of 234 points. He did much of the kicking and in 1948 made 16 points after touchdowns.

In basketball, Jerry was regular center for four years and each year helped build the Gould team to Western Maine Tourney selections, gaining a runner-up spot in 1946 and the Championship in 1947. In 1946, Davis scored 126 points, followed by 240, 258, and finally 270 in 1949. This stands as an all time scoring record for a season at the Bethel school. His grand total of 894 points far surpasses any former record.

With the 1949 track season still ahead of him, Jerry has already accumulated 271-1/3 points for the Academy. His specialty is the discus in which he holds the State Class "B" record at 129 ft. 5.5 in. He also has the local field record at 133 ft. 5 in. The high and broad jumps and javelin throw were other events in which he scored many points. 1947 was his greatest year as he scored 3 firsts in the State Meet for 15 of Gould's 19-1/3 points for the state championship. It was in this meet he scored his record-making heave in the discus and took first in the high jump and the broad jump. At the close of the 1949 season, Jerry's total points should soar well over 300.

At Gould, a student is limited to participation in one sport per season, so Jerry was unable to take part in skiing in which he is highly proficient, too. Last summer he played on the Bethel baseball team to add that sport also to his athletic accomplishments. To say he will be missed in '49 and '50 is putting it mildly.

Football

The forty-seven Gouldsters, who, shaped by Coach Scott and his assistants, Joe Roderick and Mr. Emery, formed the machine whose eleven-man varsity emerged undefeated from a tough seven game season, have a right to be proud of the record they made this past year. The remainder of '47's team was strengthened by the addition of several new men whose contributions netted them good berths their first year under the Blue and Gold.

The first game of the season was our 13 to 0 conquest of Lyndon Institute at Gould, September 25th.

Next the Huskies tackled Mexico on Alumni Field to roll up a stupendous 34-0 victory which injected the first real

moral boost into a previously uncertain cheering section.

From then on the Gould record was a phenomenal sweep with the backing of a confident student body.

On Oct. 9th., St. Johnsbury Academy fell as the first win away from home. Again Gould was unscored on and the score read 40-0 at the game's close.

Gould played host to Livermore Falls October 16th, and again the result was a zero for the opponents. The Huskies chalked up a sweet twenty points on this one.

On the twenty-third, Berlin came over and returned scoreless, leaving the Blue and Gold gridsters nine more points.

With two more games remaining, tension was high. Unscored on! But the next two rivals broke this streak with twelve points apiece. The first was Kennett High at Conway whom we took by sixteen points—28-12. The final game was with arch-opponent Fryeburg and resulted in a 25-12 reading after a hectic battle resulting, unfortunately, in injuries for both sides.

The Jayvees had a less spectacular but still worthwhile season beating South Paris's Jayvees once here and being taken by them in return there. Bridgton High

played them a home and home series also and captured both scores. Climaxing the season was a tough match with the Rumford Freshmen here and, while they won, the Gould pups gained the experience and thrill of a full season.

Some of these aspirants, together with a good but small bunch of lettermen and possibly a new surprise or two, will make up the '49 team; let's hope it's as good as this year's was.

CROSS COUNTRY SQUAD (1948)

Bottom row: (left to right): Ted Chadbourne; Ed Hickcox; Larry Stinchfield; Ronnie Kendall; Uno Hertell, Captain; Phil Hussey; Reynold Jordan. Center row: Mr. Fossett, Coach; John MacDuffie; Larry Taylor; Phil Lovejoy; Lester Coolidge; Fritz Norton. Top row: John Willard; Warren Olson; Bill Kirkness; Alden Gordon. Absent—Addison Saunders.

Cross Country

Continuing a two year, twelve meet winning streak in dual meets the Gould Academy Harriers racked up five wins against no defeats in the regular season and took third in the state interscholastic meet.

Led by newcomer Ronnie Kendall a corps of veterans including Captain Uno Hertell, Larry Stinchfield, Ed Hickcox, Phil Hussey, Reynold Jordan, Ted Chadbourne, Warren Olson and Les Coolidge, overcame opposition from the Bates Freshmen, Portland High, Rumford, and Fryeburg. In addition to Kendall, others out for the team were MacDuffie, Norton, Saunders, A. Gordon, Willard and Lovejoy.

After a month of steady practice under Mr. Fossett's guidance the boys went into

the first meet with the Bates Freshmen in good running condition; not only did they emerge victorious but they combined a perfect score, 15-48, with the first five men, Chadbourne, Kendall, Hickcox, Hertell, and Stinchfield, coming across the line together for a blanket finish.

The next week against Rumford the team had a perfect score taking the meet 15-49.

On October 20 the trackmen met the harriers from Portland High and defeated them even though Connolly of Portland won the race in record-breaking time; in spite of wet, slippery conditions the Gouldites were able to place five men in good scoring positions winning by the good margin of 22-35.

The following week the Huskies again took on Stephens High of Rumford and defeated them 16-47 on the Rumford course.

The team journeyed to the University of Maine on Nov. 4 to take part in the annual state cross-country meet. The race was won by York High with Gardiner second and Gould third. Connolly of Portland led the field of ninety through the rain and mud for first place with Kendall, Hickcox and Hertell placing in the first twenty-five for Gould. Old Town, last year's champions, placed behind the Gould men who also beat such teams as Bangor, Brunswick, Presque Isle and Portland.

The final meet of the season was held on Nov. 11 with Gould's traditional rival, Fryeburg Academy, and was complete with the traditional rainfall. The team turned in a final victory with a score of 20-38. The rigid training of the runners bore fruit as they turned in fast times with Kendall coming a scant four seconds from the record of 13 minutes, 38 seconds.

The team, after a most successful season, looks forward to next year with Captain-elect Kendall, Chadbourne, Olson, Norton, Saunders, A. Gordon, Lovejoy, Coolidge, and Willard returning to carry on the record of the teams of the past two years.

VARSITY BASKETBALL TEAM

Front row, (left to right): Ronald Kendall; Capt. Cad Bennett; Jerry Davis; Bob Hamilton; Don Hall; Charles Smith. Second row: Coach Ordell Anderson; Scott Guernsey; Mike Boyd; Norman Lowell; Clint Mason; Bob Dodge; Manager Dave Kneeland.

Basketball

Coach Anderson began the 48-49 season with a squad lacking tourney-veteran guards, Foster and Wood and forward, Ted Young. Quentin Hall, a valuable fill-in last year was also absent because of graduation.

Several new-comers were present and Gould developed a fast breaking quintet with Captain Bennett and Don Hall as forwards, Jerry Davis at center for the fourth year with Bob Hamilton and Charlie Smith at the guard positions.

Height, which has decided many a winning game, was not outstanding, but with four of the regulars searching for the six-foot mark Gould could grab a few more of the jump balls and ever-important rebounds. Early season competition with Gorham proved that Bob Dodge, Kendall, Boyd and Scott Guernsey were capable fill-

ins. Next, Mexico fell in a foul-infested contest, 40-32, which was as close as any conference team was to come to the club from Bethel. The team certainly kept the leather flying to defeat Bridgton High by an 83-11 margin.

As the season progressed the opponents were left gasping as a sizzling fast break cashed in again and again. A shifting zone defense thwarted their return efforts.

With six straight wins the starting lineup was shattered when Hamilton suffered a severely sprained ankle which was to lay him up for seven games. Ronnie Kendall immediately rose to the task to complete the winning combo. The first defeat and thriller of the year for local fans came at the hands of the South Paris Farmers with a 42-44 score.

With eyes on the Western Maine Tournament, the search for competition produced the Bates Frosh, who snapped the winning streak with superior height and sharpshooting. One game before tournament time and disaster, or the now established "tourney jinx," struck again. Center Jerry Davis and Captain Lawrence Bennett each sprained an ankle. Nevertheless an inspired team, sparked by promising undergraduates, completed the regular season with a 46-36 upset over the Berlin Aces.

With one of the cleanest slates in this section the Gould team was selected to compete for the Western Maine Championship in class M schools. In the preliminary a team riddled with injuries bowed to a scrappy St. Ignatius team of Sanford.

The Huskies of '49 kept the nets swishing for a new season scoring record of 935 points in 16 games or an average of 58.4 per game. Jerry Davis shattered his 1948 personal scoring record of 258 points with 18 points per game for a new record of

270 points. Davis has also probably set a state record of playing a regular center position on four consecutive Western Maine Tourney teams. In his four years at Gould he has amassed a grand total of 893 points. Not alone was he a scoring ace for Bethel, for three other men have game averages in double figures. Captain Bennett plugged 215 points, for better than 14 points a game; Hamilton scored 99 points in 8 games, or better than 12 points a game while Don Hall gathered 163 in 16 games, for a 10 point average.

Lettermen for 1949 include: Captain Lawrence Bennett, Donald Hall, Jerry Davis, Captain-elect Charlie Smith, Bob Hamilton, Ronnie Kendall, Mike Boyd, Bob Dodge, Scott Guernsey, and Manager David Kneeland.

The loss of Davis, Captain Bennett, Dodge, Hall, and Guernsey will be a severe blow, but for the 1950 team Coach Anderson will have lettermen Smith, Hamilton, Kendall, and Boyd along with three J. V. men, Lowell, Agnese, and Mason who look like good varsity material.

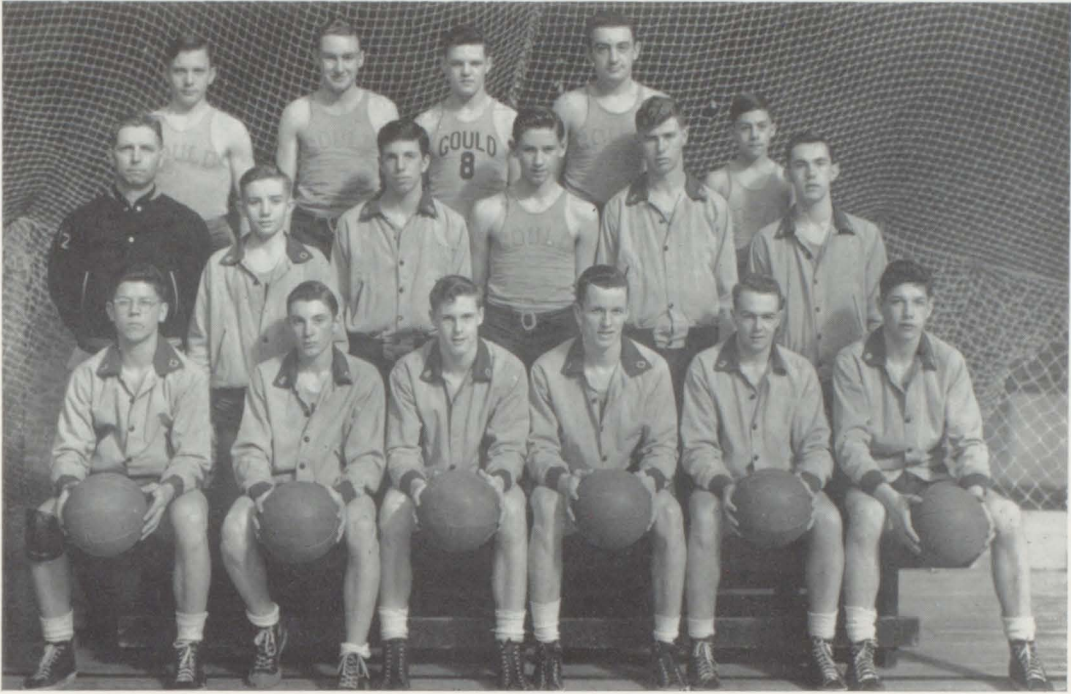

Gould's thirteen victories in 16 games were as follows:

Gould	44	Gorham, N.H.	28

Winter Sports

Starting off with one of the poorest seasons ever remembered here at Gould, having no snow but plenty of sunshine and rain, the remainder of last year's varsity with many new additions returned after Christmas vacation to start the year with road work and exercises to get in condition. Still the snow didn't arrive and enthusiasm began ebbing, the main topic of conversation being, "When do you think it will snow?" or "You bums ought to take up basketball!"

Finally, the first meet with Kennett and Berlin being cancelled, enough snow fell for our first taste of '49 competition at the Edward Little Carnival. Along with the usual mishaps of the first meet such as forgotten poles and goggles, we had a blow-out en route. However, a quick

transfer brought the boys to the starting gate of the X-country even though they were a little late. The next day Gould came from behind to win the remaining three events, Les Streeter putting it in the bag by winning the jump, to cop the title.

Carnival time arrived unexpectedly soon. There was the usual frustration and excitement but this time the team settled down, despite all, to take team honors in all four events. By taking a first, second, and third in the downhill the Huskies took an early ten point lead over Edward Little, compiling still more in the remaining events to win by thirty points. The next week end Gould, Edward Little, and Andover, the three highest teams from Maine, were slated for the New England's at Lyndon, Vt.

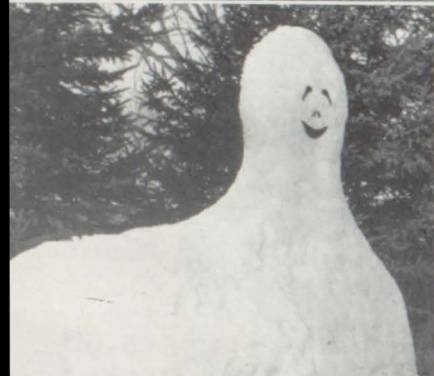

Leaving Thursday morning, the team headed for Lyndon to get some practice in on the new jump and X-country trail. Due to lack of snow, the downhill was cancelled on Burke Mt., to be held on the regular slalom slope. Here the chief contenders for the title were bound to be Lyndon, Laconia, Lebanon, and defending champs Gould. Horizons looked darker for the Gould octet when Lebanon took 2, 3, 4, and 5 in the X-country but the fight for supremacy was close, Gould leading by a few hundredths of a point. On Saturday, Gould picked up another three points advantage in a fast open slalom. Then, as usual, the jump was to decide the meet. Here Gould, used to smaller

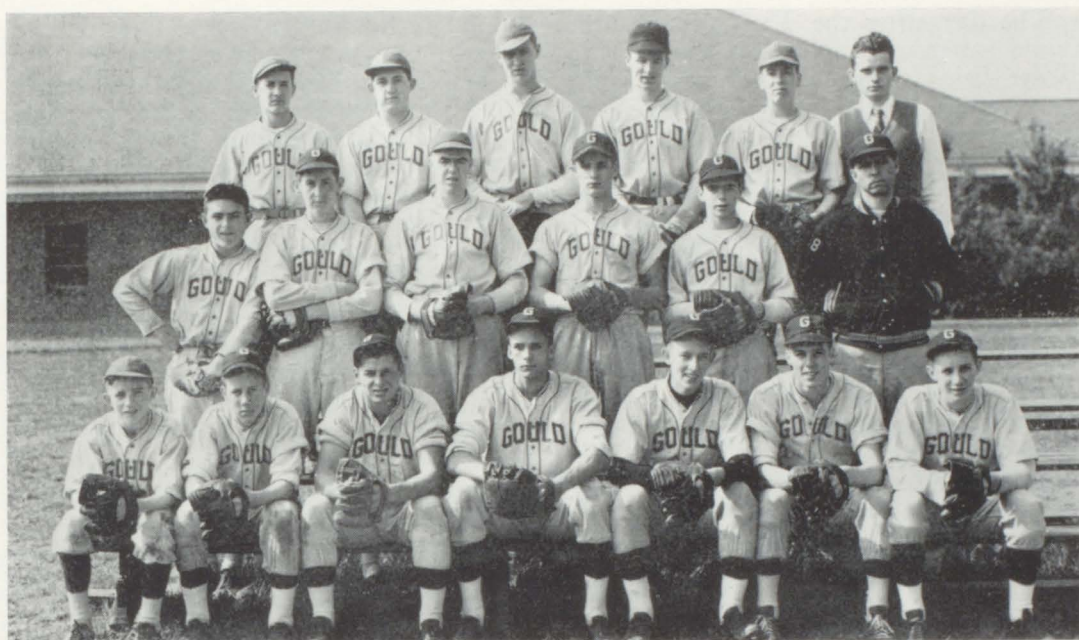

jumps and lacking in experience, bowed to a strong Lebanon outfit, headed by Vic Trembly. This told the story, Lebanon picking up the necessary 4 points to win the New England Interscholastic Championship.

Thus the season ended with two victories and a close defeat. All in all the team had a good season even without the abundance of snow usually present. The team has seemed to better itself a little every year and next year the same is expected. To be led by Streeter, Marshall, and Norton, next year's team ought to really hit the high spots.

Baseball

The 1948 Gould baseball team started working out in the cage in March, long before the snow had left. The squad members loosened up their long-idle throwing arms, and practiced fundamentals, while Coach Bowhay and his assistant, Reggie Nye, searched the squad for a new Ty Cobb or Walter Johnson. As soon as the field was dry the team ventured forth and practice sessions began in earnest. It was still cold, but new, warm jackets, gifts of an anonymous donor, were a great aid in warding off the icy blasts. As the weather grew warmer, the team rounded into shape and the vacancies left by six graduated lettermen were filled.

Norway invaded Bethel for the first game of the season on April 24, and beat the home team in a wild and woolly 10-8 game. Twenty errors were committed by

the two teams. Only the Gould outfield was exempt from misplays, with center-fielder Burt Rolfe making three fine catches.

With a revamped line-up, the Gould team won its first game three days later from Gorham, N.H., by a score of 6-3. Wood and French each contributed two hits, and the boys held themselves down to four errors. Ted Young allowed only six hits, and coasted home after a three-run Gould outburst in the fifth.

After a week of rain, Gould succumbed again, this time to South Paris, on May 3. The defensive play was again spotty, and Jan Conant, Paris ace, allowed only five scattered bingles. Dave Bennett's double set up the only Gould run in the sixth inning. Paris got fourteen hits off two Husky pitchers.

The day after the Paris debacle, the Gould pastimers journeyed to Gorham, to garner their victory. Louis Wood was the big Gould gun with four long hits in four trips, while Croteau got three for four. The score was tied at ten-all in the first of the ninth, but Kendall's single, walks issued to Marshall and Croteau, and Wood's single, gave Gould the winning margin.

After more than a week of steady rain, the team lost to Fryeburg, 9-7, on May 13. It was a see-saw battle but a Gould eleventh-hour rally failed. Ted Young proved himself a hitting pitcher with a triple and a single, and Wood made a daring steal of home in addition to getting two hits.

At South Paris, May 19, the Huskies surprised the county by upsetting the champs, 11-7. Gould scored three in the first, including Croteau's home run, but the Cardinals came back with two. The Huskies then scored four in the second, holding Paris to one. In the fourth Paris scored four, tying the game, but three runs in the sixth, including Wood's round-tripper, sewed up the game for Gould.

The Huskies made it two in a row May 27, at Norway, by a score of 9-2. Gould made only four hits, but capitalized on the loose Norway defense for scoring opportunities. Young was never in serious

trouble in holding the home team to two runs.

At Mexico, May 28, Gould continued its win streak with a 14-5 triumph. The Huskies scored six runs in the first two innings, and when the Pintos began to threaten, broke out with seven tallies in the ninth. Pitcher Dick Rolfe and Bob Hamilton were high with two hits apiece.

Fryeburg came to Bethel, June 1, and defeated the Huskies, 11-6. Fielding errors and numerous Fryeburg hits were too much, as Ward, Fryeburg pitcher, kept the game well under control. Dave Durgin and Dick French garnered two hits apiece in a losing cause.

In the Alumni game, played June 5, youth triumphed supreme, but by a narrow margin. The old-timers started well, not allowing a Gould run until the fifth. Years of unuse told their strain on ancient pitching arms, however, and the youngsters caught up and finally won on a wild pitch in the last of the ninth. Wood finished his two-year tenure as captain with three hits, while the entire squad got into the game.

Although the loss of five lettermen will be keenly felt, the team starts the 1949 season with high hopes. Dick Rolfe, curve-balling pitcher, has been elected captain.

Track

The sixth Gould track team to be produced by the combined efforts of coaches "Joe" Roderick and Robert Scott was one of which any school might be proud. The goal set by Head Coach Roderick was high but he worked wholeheartedly with the coveted state championship in mind, his teams having achieved it the two previous years. A record fifty-two boys competed for places on the team and twenty-six were selected to represent the school away from home while others were added to the ranks in home meets.

On April 29 the team traveled to St. Johnsbury, Vt., where they were entertained at lunch by the team they had

beaten at home the year before. That afternoon the favor changed hands with nearly every event, the final change going to the host team. Under the lenient Vermont regulations, St. Johnsbury was able to use at least one of its stars, Rodd and Hall, in nearly every event, this having a deep effect on the score, $60\frac{1}{2}$ - $56\frac{1}{2}$.

Back home the following week, Gould coasted to an easy victory over a Gorham, N.H., team, 85-5. The inexperienced visitors managed to grasp only one second and two third places in the thirteen events. The victors were led by Jerry Davis with sixteen points while Dick Ireland and Bob Adams secured eleven each.

On May 13 Gould entertained Fryeburg Academy and Farmington High School, emerging victorious with a mass of 70 points. Fryeburg received 49 and Farmington 24 points. High point man was Jerry Davis with fourteen while Dick Ireland again pulled down eleven. A 133' 5" discus throw by the former established a new state record for Class B competition.

Two days later the Gorham team returned for another chance, this time tackling the Junior Varsity which they defeated 47-43 in a ten-event match. Not desiring a record inferior to that of their own varsity, the Puppies showed that they too could win by taking a three way meet later in the week: Gould J. V. 64¾; Mexico 50; South Paris 17¼. These two meets gave valuable experience to those who will represent the school in later years.

On May 22 a selected group of athletes competed for individual honors in the Bates Relays at Lewiston and returned with two firsts, a second, and three third places. Jerry Davis shattered his own record in the discus by boosting the distance to 134' 10".

Gould easily recaptured the Oxford

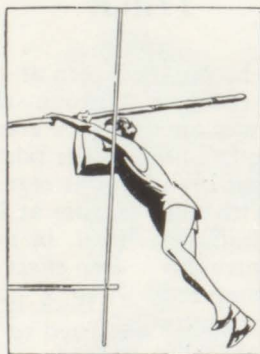

County Championship at Rumford on May 29, scoring 69½ points. Fryeburg was second with 36½ followed by Rumford 20, Mexico 15, and South Paris 2. Jerry Davis, a triple winner, gained high point title with 16 while Dick Ireland came through again in both hurdle races to be a double winner.

In heavy rain at Colby College on June 5 the team was noticeably below its standard and the competitors were generally displeased with their performances. Nevertheless, third place was secured by the Bethel team. Wearing the laurel was Kennebunk in its first state championship.

Captain Dick Melville was largely responsible throughout the season for the high team spirit and was always a dependable performer, starring in pole vaulting.

Jerry Davis and Dick Ireland have been elected co-captains of the 1949 team which promises to be among the best in the state. If Gould wins the state championship the rotating trophy will be retired in the Gould trophy case. Certainly, it will take a powerful team to stop them, as nearly all the lettermen are returning for another season.

FIELD HOUSE

GIRLS' GYMNASIUM

Athletic Council

The Gould Academy Athletic Association ends its second successful year under the chairmanship of Elwood F. Ireland, Headmaster.

There are five permanent members of the association: Mr. Ireland, chairman; Mr. Ordell Anderson, faculty director of athletics; Mr. Wilbur Myers, bursar; Mr. Richmond Roderick, Physical Education Director for Boys; and Miss Marion E. Stallwood, Physical Education Director for Girls.

There are also five elective members, who, for this year were: Mr. Clayton Fossett, elected by the permanent members; Jerry Davis, elected by the members of the student council; and Ann Lord, elected by the Girls' Athletic Association. The other members are elected by the permanent and elective members. They are Mr. Leslie Davis, a trustee of the school, and Mr. Elmer Bennett, an alumnus of the school.

The duties of the council are to formulate, review, and approve all athletic schedules; estimate and approve budgets; authorize equipment; approve all officials for home games; approve all awards for athletes and managers; formulate policies as regards athletic injuries; specify duties of the school athletic program; and take action on all difficulties that may arise in sports.

Credit should be given Mr. Anderson who has charge of most athletic events, and who works very hard to formulate these events and estimate budgets.

The Council approves the awarding of letters if a boy or girl has met the many requirements of a particular sport. Only one letter may be awarded a student during his or her years at Gould. After earning one "G", the student then gets a certificate if he has met the requirement for another letter.

A blue sweater with a woven "G" is given for outstanding service in athletics. The athlete must have earned six successive letters or seven letters in all.

Those who have received sweaters for the fall of 1948 are: Richard Marshall, Bob Adams.

Those that have received letters are:

Boys' Physical Education

A program carried out extensively at Gould, physical education, under the management of "Joe" Roderick, earnestly provides not only physical fitness but special emphasis on the individual. Systematically there is a certain amount of daily exercise followed by periodic events such as boxing, football and tumbling; so wide is the choice of these events that the average boy is bound to engage in something he likes or excels in.

Each member of the class has posture pictures and foot imprints taken which are brought to his attention and then placed on file; there is a corrective program carried on in the lower classes in which anyone who has a physical defect goes through special exercises to correct it. To provide a clear picture of strength comparison, each boy has a strength test from which his strength index is figured out.

Although stressed more in the upper classes, the daily exercises routine is the No. 1 event of the program. These exercises vary in different systems—grass drill, ranger exercises, and open order; five to ten laps on the indoor track completes the workout. Monthly tests for the upper classes are held to prove the efficiency of

these exercises.

Other events may run something like this: in the fall term, touch football and soccer are introduced; boxing and wrestling, along with basketball fundamentals are found in the winter term. Track principles and softball appear in the spring. About this time the four classes begin their training for the annual gym exhibition where physical education is put on display; gymnastics such as tumbling, work on horizontal and parallel bars, and on the trampoline and log exercises are always fitted into the picture. Games that involve quick thinking and fast performances, such as relays, are always common. A good trainer of quick thinking, not to mention its usefulness for some people in the future, is marching; much time is spent on this. Badminton, handball and squash place high on the list, also.

The main advantage of the physical education at Gould is the facilities it has to offer; the field house with its indoor track, athletic courts and corrective room including the sumptuous athletic field is the pride and joy of all those who use it and are connected with this school.

Girls' Physical Education

The girls' physical education program has completed another year under the capable direction of Miss Marion Stallwood, and the girls have benefitted as in previous years from an increase in co-ordination and skill in team sports as a result of the carefully planned program worked out for them. The final event of the '47-'48 gym season was the annual exhibition, participated in by all classes and demonstrating the skills developed by the girls on the apparatus, in gymnastics, and in selecting a popular tune with words composed by each class; these songs heralded the entrance of each class in the natural sequence with which the performances were given. An added touch in '48 was a float made by each class, the prize for which was given to the seniors. Also in the spring of '48, when the field had dried up and warmer weather came, softball was played

by class teams with great enthusiasm shown by all participants and spectators. And again the seniors were the victors, defeating all comers in the several games played. At the same time, tennis instruction by Miss Stallwood was in full swing. Though many of the girls became quite efficient on the courts, owing to the lack of time in the spring term no tournaments were played.

In the fall of '48 came archery and hiking. At numerous times during the glorious days of September and October, groups of girls could be seen setting out for hikes around Bethel, and many healthy appetites were developed at the same time as blisters were growing on unaccustomed heels. Archery teams were composed of the most proficient from each class, and the girls spent many afternoons with the staves in hand, competing for the largest

number of points for a specified number of tries. Once again the seniors amassed the largest total, and were proclaimed the victors. Also during the mild fall days girls who were not chosen for the archery teams were spending their time decorating their shins with black and blue, as a result of rigorous application of field hockey sticks in all the wrong places. Class teams were also organized in this sport, and once more the seniors walked off with the laurels. Games between the Blue and Gold teams were also played.

When colder weather came, the girls were forced to turn to volleyball, an ever-popular sport. And, (this is getting monotonous), the seniors defeated all comers to take the honors, though by a close margin over the juniors. And when snow came at last, the skiers, after a long period of waiting which was interspersed with exercises to keep them in trim, took to the boards to learn some plain and fancy skiing techniques from Mr. Myers in his role of ski instructor. The motto "Practice makes perfect," though not proved true in every case, was verified by the advancement of some of the better skiers, while the others found that "practice makes improvement" would fit their needs exactly.

Also during the winter months the girls plunged into basketball with high spirits. Coaching by Miss Stallwood was followed by the inevitable choosing of class teams, and after several spirited games, the seniors

came out on top as per usual. Blue and Gold teams, chosen from the cream of the class teams, were played, and scores were close. A winter activity in a somewhat different vein was the selection of a Modern Dance Club, consisting of 19 members and having as its principal aim the presentation of several dances at the annual gym exhibition. Though the idea was advanced that the club present a recital of its own, it is doubtful that the plan will go into effect this year. We are looking for some fine performances by this club in the future, however, if past performances are any indication of the ability of the girls who make up this group.

Following the basketball activity is the badminton tournament, played both as singles and doubles. Winners will play off to determine the individual winner, and losers will do the same. Badminton has always been popular with the girls, and many afternoons are spent in healthful and exciting games, which aid the coordination of the participants to a great extent. At the same time work is going into the preparation of a successful gym meet.

Many of the new students have showed talent in the sports offered here at Gould, and we hope that the girls' physical education program will always be as successful as it has been in previous years.

MAXIMS TO GUIDE A YOUTH

By One of Your Neighbors

Keep good company or none. Never be idle; if your hands cannot be usefully employed, attend to the cultivation of your mind.

Always speak the truth; make few promises; live up to your engagements; when you speak to any person, look him straight in the face.

Good company and good conversation are the very sinews of virtue. Good character is above all things else. Never listen to loose or idle conversation; you had better be poisoned in your blood than in your principles.

Your character cannot be essentially injured except by your own acts. If any one should speak evil of you, let your life be so virtuous that none will believe him.

Always speak and act as if in the presence of your Maker; drink no intoxicating liquors; ever live, misfortune excepted, within your income; when you retire to bed think over what you have done during the day.

Never speak lightly of any one, make no haste to be rich if you would prosper; small and steady gains give competency with tranquillity of mind.

Never play any game of chance; avoid the temptation through fear that you may not withstand it. Earn your money before you spend it. Never run in debt unless you see a way to get out of it.

Never borrow, if you can possibly avoid it. Be just before you are generous. Keep yourself innocent if you would be happy. Save when you are young, to spend when you are old.

Never think what you do to alleviate the sufferings of your fellow beings time or money lost. Be kind and generous, for the whole human family is depending one upon the other.
